H018181 PEOPLE v. MATIAS

The trial court is ordered to amend the abstract of judgment to reflect the following: 469 actual custody credit for the time from defendant's arrest on February 9, 1995, to his first sentencing on May 22, 1996; 70 days pre-sentence conduct credit for that same period; 538 days actual custody credit for the period between defendant's first sentencing on May 22, 1996, and his second sentencing on November 14, 1997; and 17 days presentence conduct credit for that same period. The abstract of judgment therefore must reflect a total of 996 days of actual local time (credit for actual presentence custody time) plus 87 days of local conduct credits (Section 4019 credit) for the period from February 9, 1995 through November 14, 1997. The trial court is ordered to send a copy of that amended abstract of judgment to the Department of Corrections. As so modified, the judgment is affirmed. (not published)
